

TESTIMONIALS

"In the 11 years I've lived here, I have new life with so many things to do: fun and education programs, movies, and even a grocery shopping bus on Wednesdays. I was lonely after losing my spouse, and living here has opened new doors for me. I like being active and try to attend all the information programs to keep myself busy.

"When illness turned to loss, the community's support sustained me during the hard days, and sustains me still. I continue to be encouraged by a community of people who live God's love. Baptist Retirement Communities of Georgia truly helps me age in grace by providing a comfortable cottage, staff who are interested in me as a person, and a wholesome environment, every part of which surrounds me with grace."

GRACE *to* OTHERS

In Hebrew, to show grace means “to bend or stoop in kindness to another.” Literally, it means to show favor. At BRCGA our hope each day is that we show grace to every resident in every encounter. We have three beautiful campuses that provide a place of faith and community for all who reside there. As Georgia and the Southeast’s population grows older each year, persons over 65 have become the fastest-growing segment of our population. What an enormous opportunity we have as a Baptist ministry specifically focused on senior adult care to show God’s love to people around us. As we faithfully respond to God’s call, we must maintain and grow our facilities and ministries to enrich the lives that God is bringing to us to “favor.” Would you prayerfully consider joining our Grace team with your prayers, gifts and service? We know God has strategically placed our communities and ministry to serve at this time. Will you help us serve seniors today, as well as for generations to come.
